

## LOW VOLTAGE DC CABLE

| Model                 | DC.CAB.1911.0150 WHITE |  |  |  |
|-----------------------|------------------------|--|--|--|
| DC Plug               | 5,5x1,7mm              |  |  |  |
| Recommended voltage   | 0 - 48V                |  |  |  |
| Max Current           | 8A                     |  |  |  |
| Dielectric Strenght   | 500 VDC                |  |  |  |
| Operating temperature | -20°C to +70°C         |  |  |  |
| Cord Lenght           | 1500mm                 |  |  |  |
| Cable Diameter        | 4mm                    |  |  |  |
| Wire Diameter         | 2x1mm²                 |  |  |  |
| ROHS                  | +                      |  |  |  |
|                       | 1500                   |  |  |  |
