Applications:

- large solder pads (CH-SW60-4-5, CH-SW60-4-10)
- small solder pads (CH-SW60-2-5, CH-SW60-2-10)
- SMD desoldering (CH-SW60-1-5, CH-SW60-1-10)
- desoldering of temperature sensitive components
- medium solder pads (CH-SW60-3-5, CH-SW60-3-10)

Lead Free desoldering braids

Chemtronics

Braid type : desoldering

Applications : cleaning of tracks from solder residues;
SMD desoldering;
desoldering of components from PCBs

Features : ESD reels

Material : copper

Flux type : No Clean,
Lead Free
