akyga®

Communication cord
Model: **AK-CO-02**
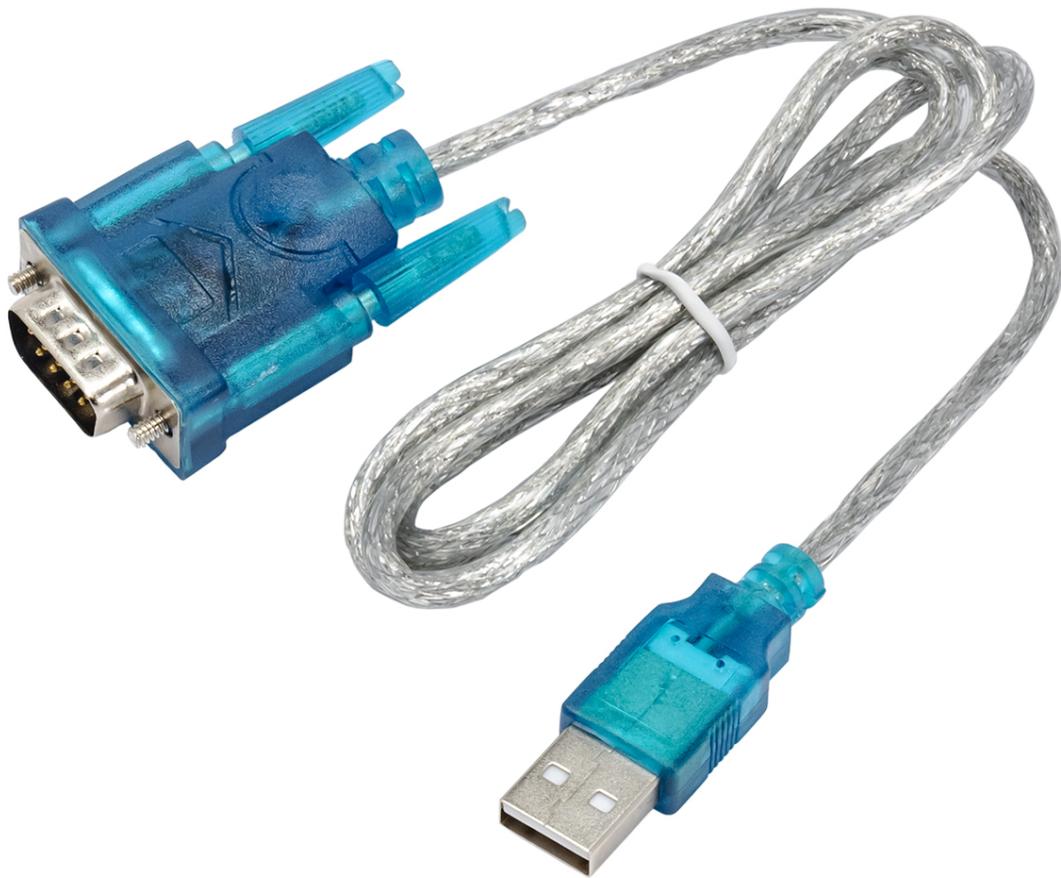

Product code	AK-CO-02
Product type	Communication cord
Directivity	USB -> RS-232
Cable length	1 m
The cable plug #1	Male connector RS-232
The cable plug #2	USB Male connector type A
Ferrite filter	Yes
Isolation material	PVC
Cable diameter	7 mm
Material	ABS
Product color	White
Temperature	5 - 50 °C
Package	UniBag
Product size (L x W x H)	160 x 153 x 26 mm
Package size (L x W x H)	260 x 180 x 28 mm
Net weight	124.6 g
Gross weight	136.1 g
EAN code	5901720132079
Warranty	24 months

Description

The **Akyga® AK-CO-02** converter allows you to connect to a laptop or computer devices communicating via the **RS-232 standard** using a **USB connector**. This conversion is usually useful on newer laptops without an RS-232 port. This standard is most often used in printers, cash registers, electronic meters and diagnostic interfaces. **The cable has a length of 1 m** and is terminated with two male plugs. One USB type A and the other RS-232. The device is a **one-way adapter** and works only one way from USB to RS-232.
The drivers for the adapter can be downloaded from this address.
