

*Give your electronics a home*

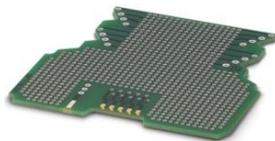

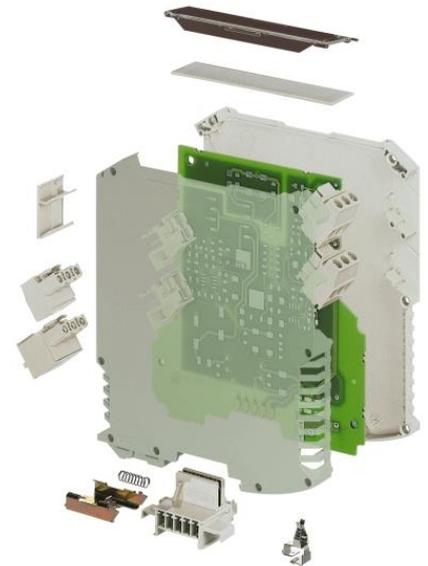

DEV-KITS provide a simple way to order Phoenix Contact Electronics Housing kits for use during prototyping or small production builds.

DEV-KITS are available to order with a single part number and include all the necessary housing components and connectors to assemble a complete electronics housing.

A made to measure prototyping PCB is also available to order for each kit, enabling rapid prototyping without the high cost of a custom designed PCB.

- Ideal for one-off projects.
- Complete with connectors.
- Optional prototyping PCB.
- Secure DIN rail mounting with optional bus connector\*.
- DEV-KITS available for ME-MAX, ME-IO, ME-PLC, BC, UM-BASIC, & EH housing product ranges.

\* Optional bus connector available for BC, ME-MAX & ME-IO housings.

**DEV-KITS ordering information:**

Part Number	Series	Description	Content
2202525	BC	BC 107,6 DEV-KIT KMGY	Housing components & connectors
2202544	BC	BC 107,6/40 U11 HBUS DEV-PCB	Prototyping PCB
2202545	BC	HBUS 107,6-16P-1S DEV-KIT BK	DIN rail bus connector
2202529	EH	EH 45 FLAT DEV-KIT KMGY	Housing components & connectors
2202552	EH	EH 45F/16 DEV-PCB	Prototyping PCB
2202527	ME-IO	ME-IO 18,8 DEV-KIT KMGY	Housing components & connectors
2202548	ME-IO	ME-IO 18,8/28 TBUS DEV-PCB	Prototyping PCB
2202549	ME-IO	ME 18,8 TBUS 1,5/5 VPE1 KMGY	DIN rail bus connector
2202526	ME-PLC	ME-PLC 40 DEV-KIT KMGY	Housing components & connectors
2202546	ME-PLC	ME-PLC 40/36 BUS DEV-PCB	Prototyping PCB
2202524	ME-MAX	ME MAX 22,5 2-2 DEV-KIT KMGY	Housing components & connectors
2202542	ME-MAX	ME MAX/16 2-2 TBUS DEV-PCB	Prototyping PCB
2202543	ME-MAX	ME 22,5 TBUS 1,5/ 5 VPE1 KMGY	DIN rail bus connector
2202528	UM-BASIC	UM-BASIC 108 100MM DEV-KIT KMGY	Housing components & connectors
2202551	UM-BASIC	UM-BASIC 108/32 DEV-PCB	Prototyping PCB
