Технические характеристики согласно ETIM 7.0

Circuit breakers and fuses (EG000020) / Medium-/high voltage fuse (EC003507)		
Rated current	A	2
Rated voltage	kV	12
Voltage type		AC
Rated frequency	Hz	50 - 50
Breaking capacity	kA	40
Utilization category		Other
Application		Auxiliary transformer protection
Length	mm	220
Diameter	mm	41.3
Performance category according to IEC 60282-1		Back-up
With striker		No
Standard		IEC
Release characteristic		Other
Installation technique		Air
